

# A MESSAGE FROM YOUR PTA:

## Welcome New Kindergarten and Pre-K Parents!

Welcome to the Peak View Family. It's exciting and scary sending your child to school for the first time, but rest assured, your children are in good hands. The teachers and staff are extremely caring and dedicated, and we are fortunate to have a lot of parental help and involvement.

That's where the PTA comes in. Our purpose is to be the vehicle that parents can use to join forces and give our kids the best educational experience possible. We are lucky to have many parents who give generously of their time and talent. Below are some of the things the children of Peak View experienced or will experience this year because of the support of your PTA.

HARVEST FEST    TALENT SHOW    INTERNATIONAL NIGHT

MATH AND SCIENCE NIGHT    AN EXTRA FIELD TRIP

AN ASSEMBLY CALLED RHYTHM AROUND THE WORLD

FIFTH GRADE FAREWELL    A YEAR END SOCIAL

As our fifth grade parents' graduate and move on to the middle school, we need your help to fill that void. Please consider joining a committee and becoming involved. Help us continue the tradition of providing supplemental programming and assistance to our students.

Once again, welcome to you and your student. We sincerely hope that your child has an awesome year at Peak View, and we are already in the planning stages to help make that happen. We are here to help. If you have questions you would like answered from a parents perspective, feel free to call on us.
